PROJECTS

Project Name: Talent Hunt

Team Size: 4   **Project Duration:** 2 Month

Project Detail   Talent Hunt is a sophisticated web application catering to the needs of both Users and Artists, introducing a harmonious blend of convenience and creativity. The platform serves as a two-way bridge, enabling event organizers, restaurant proprietors, pub owners, bistro managers, and individuals arranging private parties to discover, explore, and book artists that align with their event's tone and ambiance. Simultaneously, it empowers artists, ranging from musicians to dancers, singers, and performers, to flaunt their craft on a digital stage and secure bookings that resonate with their skills.
